Dear Sir:

I am organizing at this time a strong Semi Pro baseball team in the city of Trenton.

I would appreciate knowing if your club would be interested in playing in Trenton next year at Dunn Field ?

Please let me know the necessary particulars in making arrangements for the booking of your baseball team for the next season , if interested.

A reply will be greatly appreciated

Very truly yours,

P S Would appreciate knowing if there is a Baseball Agency in the New York City Territory handling the bookings of baseball games.
